Dear Angela:

Thank you for your support of the 2008 Clinton Global Initiative (CGI) Asia Meeting. Your generosity helped to ensure that our meeting was a terrific success.

CGI Asia was a unique experience that can make a tangible, positive impact on our world. After participating in our productive gathering in Hong Kong, our members will be able to realize their "Commitments to Action" by implementing innovative, sustainable solutions to a diverse set of challenges in the Asian region.

I'm deeply grateful for your dedication to improving the lives of others and to making our world a better place.

Sincerely,
